Dear Rebecca,

Thanks for this, I will have Admin issue a re-consultation to NH.

We are still awaiting comments from Landscape, Trees, Highways and Southern Water. Walberton Parish have now responded, and their comments are on the website. Unfortunately, this time around they have objected and you may wish to review their comments as the objections are quite lengthy. If you wish to discuss their comments, then I am happy to do so by phone.

Kind Regards

Simon

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Dear Simon,

Please see attached updated drainage plan (drawing 33186-D-02-P4) showing flood exceedance routes in response to National Highways request (this updates drawing 33186-D-02 P3 in appendix G of FRA).

I know we are still waiting to hear back from the LLFA in response to the email dated 21/04/26 - are there any other outstanding consultee comments you are waiting for?

Kind regards
Rebecca
