Hi Simon,

That is great, thank you. The extension until 21/10 is also agreed.

While we are hoping that the LLFA will now accept that we are able to meet Standard 2 and will ultimately remove their objection (probably another two weeks), it would be very helpful to know after your chat with the team leader whether officers can still recommend approval in the event that the LLFA does not agree and it is necessary to depart from Standard 2.

Thanks,

Hi Jack,

I am able to issue re-consultation requests myself so I have sent one to the LLFA. I am not able to upload/index documents so instead have forwarded the email to our scanning team asking it be indexed as planning correspondence and labelled as “Response to latest WSCC Drainage Comments”. This then avoids the need to wait for Admin to deal with a written action request.

Kind Regards

Simon
