Dear Rebecca,

Please see our latest drainage comments which I have seen today. Please respond with the requested changes/items by 21/08 and I will then reconsult. I cannot confirm that we will agree a departure to standard 2 as this will ultimately be for the Committee to decide but if there is no way around this departure and it is the only issue then I think it likely that we can still recommend approval.

Kind Regards

Simon

Hi Jack,

I had hoped we would have had the response by now, but we have not. The Committee agenda close is today so it will not be possible to get this to our August Committee Meeting. We will aim for the 23 September Meeting instead.

I am on leave next week (10-13) back on Friday 14th.

Kind Regards

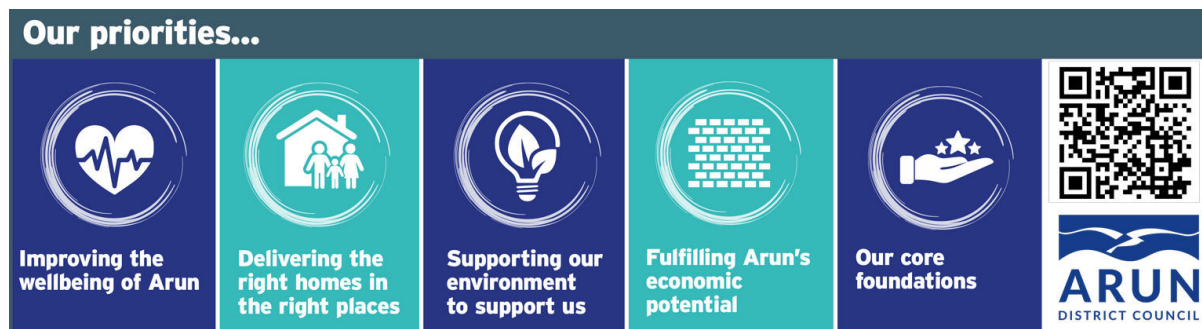

Simon

Hi Simon,

Thanks for confirming the below. We will be updating our plans in accordance with the below mix however, we need the LLFA comments before making any amendments to them because those may also necessitate minor changes too.

I take it that they have not replied yet?

Thanks,

Jack Karagoz MRTPI
