Good morning

I would like to submit the following comments regarding application **WA/18/26/PL** on behalf of Barnham and Eastergate Parish Council:

1. Grampian conditions to be applied to the sewer line, as this proposed site is connected to the Barnham trunk main. In view of the severe flooding in Barnham and Eastergate and the 24/7 presence of tankers on

Barnham Lane for nine months, it is not believed that the Barnham catchment sewage system will be able to cope with the additional houses. There are grave concerns that Lidsey WWTW is at capacity and note that the NPPF states that Infrastructure comes first.

2. Air Quality and noise pollution levels adjacent to the A27 require monitoring to ensure compliance with accepted levels.

Kind regards

Gemma Hindson

Assistant Clerk, Planning and Environment
