Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/18/26/PL
Site Address: Land off Arundel Road Fontwell
Description of works: Erection of 64 residential dwellings with access off Arundel Road, together with associated parking, open space, play space, landscaping, drainage and infrastructure. This application is a Departure from the Development Plan, affects a Public Right of Way, may affect the setting of listed buildings and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 24th April 2026 which has been recorded as an objection with the comments as follows:

OWPC83173

I object on the following grounds:-
Infrastructure capacity.

The scheme proposed will link into the existing sewer system which is already overloaded as demonstrated by the 24/7 presence of tankers in the Barnham area. This is totally unacceptable for local residents. Grampian conditions should apply.

As Identified by WSCC plans for the management of surface water flooding are not sufficient . (As a local resident who walks in this area I am also aware that ground water is present in certain parts of the field.) Following recent development on the ground adjoins this development the existing highway drainage outside Barnfield house Arundel Road is often overwhelmed causing flooding of the highway .

The development will also put additional strain on already overloaded local services including doctors surgeries and road systems.

Your views as made above will be considered before the application is determined.
