Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/18/26/PL

Site Address: Land off Arundel Road Fontwell

Description of works: Erection of 64 residential dwellings with access off Arundel Road, together with associated parking, open space, play space, landscaping, drainage and infrastructure. This application is a Departure from the Development Plan, affects a Public Right of Way, may affect the setting of listed buildings and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 19th May 2026 which has been recorded as an objection with the comments as follows:

OWPC83593

This application is for 64 residential dwellings located adjacent to the A27 and its nearby roundabout. Traffic noise therefore should be a matter for consideration. Over 100 car spaces are to be provided plus spaces for visiting vehicles to serve the requirements of the residents. Due to the rural nature of the site good access by road is needed. Wandleys Lane and West Walberton Lane have been attractive to cyclists, walkers and horse riders over the years These will be affected by any increased traffic in this area. Also the two A27 Fontwell roundabouts would need to be used by this development.

Drainage of the site is a matter that requires attention as its natural surface area will be reduced..

Your views as made above will be considered before the application is determined.
