Dear Mr. Cronin,

Re: Planning application REF WA/54/13/L; decision date 27 January 2014
Application for approval of details reserved by condition

I refer to our telephone conversation on 5 March 2014 and I am sorry that I have not been more prompt in assembling the necessary information.

However I now attach the originals and three copies of:

1. Completed application form.
2. Statement of method of construction and materials to be used.
3. Colour photograph showing the heights to which the wall will be rebuilt.

I also enclose my cheque in the sum of £28, which I believe to be the application fee.

I hope the above suffices, but should you require anything further please do not hesitate to contact me either by email [REDACTED] or by telephone during working hours on [REDACTED].

The sample panel is available for inspection in the driveway to the property.

As we live and work in London during the week, I could if necessary arrange for our next door neighbour (Mr. Ken Tooth) to meet you on site should you so wish. We would, though, have no objection to your simply entering through our driveway gates to view the panel at your convenience.

I thank you for your assistance.

Yours sincerely,

[REDACTED]

Keith Rowley (for Mrs. Chantal Rowley)
