Subject: Re: WA/19/20/HH - Dower Cottage Planning Application - Walberton

Dear Zac....Further to our telephone conversation this morning, I confirm my clients' agreement to the extension of time unto 30th June.

I would appreciate it if you could advise me through this period, of any early additional comments that might arise from the conservation officer and if relevant, how this might affect the outcome of the application.

Kind regards

John Wheatley (agent)

Subject: Fwd: WA/19/20/HH - Dower Cottage Planning Application - Walberton

Dear Zac

Following my earlier email with attachments, you indicated previously that these would now be substituted & re-advertised, would you be able to give me some idea of timescale, for this extended application?

You also indicated that you would be seeking an extension of time, so I can confirm that an extension of time to review this amendment is acceptable, but if you need this formalised on a standard format, please don't hesitate to forward this onto me.

Kind regards

John Wheatley

Further our recent correspondence, I have attached copies of four drawings that I have updated in line with the recent preliminary amended proposal, reducing the scale of the proposed garden room extension at Dower Cottage.

I would be grateful if you would now substitute the original versions, with these Revision C proposal drawings, as part of the planning application.

Kind regards

John Wheatley
