Dear Miss Bartlett,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: Siting of 6 No glamping pods with associated structures, access, car parking and landscaping (part retrospective). This application may affect the setting of a listed building and is in CIL Zone 3 (Zero Rated) as other development.

Location: Land To The South Of The Black Horse Pub Binsted Farm Binsted Lane BN18 0LP

Thank you for your recent application which I received on 30th March 2026. It is being validated by Mrs D Johnson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Biodiversity Net Gain Metric Tool

A fully completed statutory biodiversity metric calculation tool must be provided in an excel format. Further details and links to the metric tool can be found in the Validation Requirements List.

Biodiversity Net Gain Information

It is a statutory requirement that supporting biodiversity information is provided and this includes the following:

The pre-development biodiversity value of onsite habitat.

A statement confirming whether any destructive or degrading activities have taken place which would impact the biodiversity value on the site.

A description of any irreplaceable habitat.

A plan showing on site habitat.

Further information on exactly what is required can be found in the Validation Requirements List and it is likely you will need to appoint a specialist to assist in providing this information.

Please provide pre and post habitat plans.

On the proposed arrangement plan, please show the position of all CCTV cameras, saunas, woodstore and outside showers.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **14th April 2026** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
