Experience Sussex supports this application as it delivers on the Sussex Visitor Economy Strategy for Growth 2024-2034, particularly objective 1.1.3 in meeting the growing need for high quality, bespoke accommodation in Sussex, and the target of growing overnight stays and the economic impact of tourism in Sussex.

Demand for this type of accommodation is strong, particularly with the proximity to the coast, and nature focussed ethos which is growing in demand. There is an increasing need to update the accommodation stock, and improve seasonality in the Arun District, this development will help address this need (ARUN LOCAL PLAN REVIEW: Tourism Hospitality & Visitor Economy Study 2022).

We also recognise the contribution this accommodation would have on the wider local economy, such as The Black Horse pub, which is within walking distance, and the inclusion of cycle storage and parking promoting active travel and reducing visitor carbon emissions.

Your views as made above will be considered before the application is determined.
