Dear Sir/Madam,

Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/20/26/PL
Site Address: Land to the South of The Black Horse Pub Binsted Farm Binsted Lane Binsted BN18 0LP
Description of works: Siting of 6 No. glamping pods with associated structures, access, car parking and landscaping (part retrospective). This application may affect the setting of a listed building and is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 8th May 2026 which has been recorded as an objection with the comments as follows:

OWPC83414

This is a significant divergence from the original planning application, the threat of contaminated waste water from the hot tubs is high and uncontrollable. The Dark Night position is completely eradicated and has been so since first approved. The addition of Fire Pits and burners adds to the contamination by particulate from burner waste. The addition of 'cinema' screens 'audio' serves only to pollute peace and quiet in a scientifically valuable area as well as occupants in surrounding dwellings. I strongly object to this application.

Your views as made above will be considered before the application is determined.
