Dear Sir/Madam

Turnpike Motors, The Street, Walberton

Please find enclosed our client's cheque for the application submitted today on the planning portal for the demolition of garage and workshops and erection of six no. three bed dwellings on the above site.

Please also find enclosed a signed legal agreement for the affordable contributions and accompanying cheque for the Council's solicitor. Also included is the land registry title for the site but please be advised that this is currently being updated as the charge to Barclays Bank is not current. A revised title will be sent in due course.

I trust you have everything required to validate the application but should you require any further information then please let me know.

Yours sincerely

Dawn Appleton MRTPI
