Dear Sir

Re –

Planning Application WA/21/14/PL – Turnpike Motors, The Street, Walberton
Demolition of garage and workshops, and erection of 6 no 3 bed dwellings.

This Council has carefully considered the above application above and does not wish to object, but would like a condition imposed requiring the use of conservation style roof lights and appropriately styled flint work, brick work, dormers and window/door joinery. This is because the proposed development falls within the conservation area and will form a very visible part of the street scene.

Yours faithfully

Ray Huskisson
Clerk to the Council
