Good afternoon,

The rear of the property is a brick construction, in what I believe is the now discontinued 'midhurst white' brick.

It is our intention to construct the walls of the extension with block, and then have these rendered in a similar shade to the grey/white appearance of the current brickwork.

I hope this meets with your approval.

Kind regards

Iain Lombard

Dear Mr Lombard,

I write to you regarding the certificate of lawfulness you have submitted for a replacement single storey rear extension at 3 Burch Grove, Walberton – reference WA/21/19/CLP.

I have started to look at your application and have a query regarding the materials proposed for the replacement rear extension, could you please confirm if the materials proposed will be of similar appearance to those used in the construction of the exterior of the existing dwelling house?

Many Thanks
