Dear Nicola,

Further to document WA_22_21_doc which I received today, I confirm that I have made payment of £116 via Arun's on-line system as a Planning Fee. I hope that is correct. Neil Crowther has informed me that you will now be reviewing the discharge of this condition. I have attached the relevant documents again for your review.

Apologies for not following supplying the fee initially. Please do not hesitate to contact me should you need anything further from me.

Many thanks
Cathy Henderson
