Dear Nicola

Reference WA/23/21/TC

In response to your letter dated 22 March 2021 with reference to section 9 of the application form I can confirm that I am not a member of staff and not related to a member of staff nor am I an elected member nor related to an elected member.

I hope that this will suffice in completing my application which I omitted in error on the original copy sent to ADC - apologies for that.

Please note that my wife left a message with you earlier this morning but an email reply will be fine.

I look forward to hearing from you in due course.

Kind regards

Dr Terence Scragg
