

Old Vicarage, The Street, Walberton, West Sussex, BN18 0PQ

Project Reference: 25282

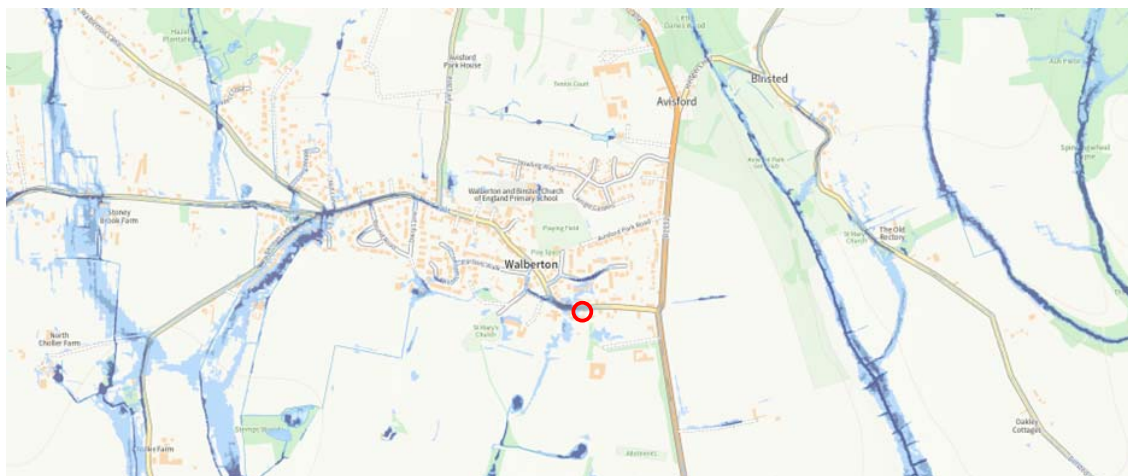

Flood Risk Assessment

EA Flood Map Extract: Rivers and Sea

The site lies with Flood Zone 1 and designated as a very low flood risk

The site area is below 1ha

EA Flood Map Extract: Surface Water

The road at the front of the property has a medium surface water flood risk. This creates no risk for the proposed structure or use.

The site location has a low flood risk from Reservoirs.
