

Please could you upload the e-mail below to the application folder WA/24/20/DOC as 'additional information' received from the agent today?

Thank you

Hi Ray

Yes it does just relate to Phase 1 so will be a part discharge.

I'll send you an email later regarding EoT for the design code and reserved matters.

Dear David

I refer to your application for the approval of details reserved by condition 12 of the planning permission WA/22/15/OUT.

In answer to question 5 of the application form (Are you seeking to discharge only part of a condition?) you have answered "No".

The plans, drawings and documents accompanying your application appear to show details of the proposed surface water drainage scheme for Phase 1 of the housing development only.

Is it your intention to submit further details as part of this application?

Please could you clarify?

Thanks

Ray
