Dear Mr Hall,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under ref WA/62/20/PL relating to Condition Nos 3 - surface water drainage, 4 - discharge flows to watercourses, 5 - maintenance & management of surface water drainage, 6 - hard & soft landscaping, 7 - Construction Management Plan, 8 - ecology, 12 - cycle parking, 13 - archaeology, 16 - contamination and 17 - verification report.

Lower Farm Yapton Lane Walberton BN18 0AS

Notification regarding the above application:

Condition Number 16

Prior to the commencement of development the following components of a scheme to deal with the risks associated with contamination of the site shall each be submitted to and approved, in writing, by the Local Planning Authority:

1. A preliminary risk assessment which has identified:
all previous uses potential contaminants associated with those uses
a conceptual model of the site indicating sources, pathways and receptors potentially unacceptable risks arising from contamination at the site.
2. A site investigation scheme, based on (1) to provide information for a detailed assessment of the risk to all receptors that may be affected, including those off site.
3. The site investigation results and the detailed risk assessment (2) and, based on these, an options appraisal and remediation strategy giving full details of the remediation measures required and how they are to be undertaken.
4. A verification plan providing details of the data that will be collected in order to demonstrate that the works set out in (3) are complete and identifying any requirements for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action.

Any changes to these components require the express consent of the Local Planning Authority. The scheme shall be implemented as approved.

Where demolition is required 1. and 2. above should be submitted prior to demolition. Parts 3. and 4.

can take place post demolition if necessary.

Reason: To ensure that the development complies with approved details in the interests of protection of the environment and prevention of harm to human health in accordance with Arun Local Plan policies QE SP1 and QE DM4. This is required to be a pre-commencement condition because these details have to be agreed and in place before any work commences.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

This condition is discharged on the basis of the undertaking given in the agent's e-mail dated 26-04-2021

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
