Subject: Amending an application that has been submitted - Park View, Avisford Park Road, BN18 0AP

Dear the planning department,

The applicant for the application this email refers to is Mr and Mrs Burbridge, I send this email on their behalf.

I posted an application for Park View, BN18 0AP on Friday 24th March which has not yet been validated, so I am unable to provide a reference. I would like to include "replacing the existing clay roof tiles with slate" within this application.

Kind regards,

Chelsey
