31st May 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with all matters reserved for 6 No detached houses with detached garages. This application is a Departure from the Development Plan.

Former Lanes End House Adjacent to West Walberton Lane & Arundel Lane Walberton

Thank you for your internet representation made on 31st May 2018 which has been recorded as '**an objection**' with the comments as follows:

The three storey homes with 6 bedrooms are not in keeping with the surrounding properties which are bungalows and two story houses. They might well be of interest to potential buyers as flats.

Car parking is shown as 26 spaces, 8 of which are in garages. This is a location not served well with supermarkets, schools, surgeries, banks, churches etc so car use will certainly be very much required. Bicycle storage spaces will be needed to support sustainable transport ideals. The site is very much rural in character and the removal of well established bushes and trees will affect the wildlife in the area. Although the site entrance is on Arundel Road traffic travelling to Walberton, Barnham, Bognor Regis, Yapton and Littlehampton would tend to use either Wandleys Lane or West Walberton Lane which are very much unsuited to having even more additional journeys placed upon them.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
