Many thanks for forwarding the proposed Pre-Commencement Planning Conditions for the above detailed application. We are pleased the application is being advanced in a favourable manner and would be grateful of a copy of your Case Officers Report and any potential draft Planning Approval / Conditions before it is published on line.

It is our intention to forward as soon as available a design / proposal from our Structural / Civils Engineer to satisfy the Pre-Commencement Conditions (and avoid the need for these to be including in any pending Approval).

We very much appreciate your dialogue in this application.

Best Regards

Neil Barker RIBA
