Response

Following submission of details contained in the planting schedule, protection of trees during building works document and Landscaping Proposals Plan LNDSP 01 I can confirm that the proposals are fit for location proposing shrubs which are suitable for location. The information has been shown in plan form and further details species, quantities, planting densities and size at time of planting.

I would therefore **recommend the discharge of Condition 5** on this application WA/29/20/DOC imposed under WA/38/17/PL
