Hi Jack,

As the block plan submitted in your application did not include the proposed garage, if you submitted a new block plan showing where the garage is to go, we would then need to re-consult with neighbours as a neighbour might want to comment and there won't be enough time to do that before a decision is due. Therefore for us to determine the current application on time, we will need the garage removed from the description.

Regards

Richard

Dear Mr Sherman,

Can I not add this onto the block plan? Or will the decision be more favourable without the garage? Thanks

Many Thanks

Dear Mr Dowling,

I am looking over your application at the above address. As you have failed to submit a block plan showing position of garage we request that you remove that from the description so as to allow a prompt decision on the current application. Please can you confirm this back to me via email.

Thanks.

Kind regards

Richard
