Dear John,
Having looked at the plan it appears that the glasshouse area is being reduced with the removal of the extending section to the north east. If this is the case please can you let me have an amended block, elevation and floor plans to substitute for the originals and agree to an EOT until 08-07-2022 to allow for receipt of revised plans and processing?
Regards
Anita

Hi John

The revised plan is acceptable in terms of distance from the ditch.

Please note that the parking spaces adjacent the ditch will need consideration in terms of their construction to ensure no detriment to the ditch banks and visa versa, but that is a matter that can be dealt with during detailed design.

Hello Paul,

Please see the new plan for Lower Farm, Walberton attached.
Over 6m now shown on the plan as the closest distance to the bank of the ditch.

Many thanks, John.
