Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/2/22/OUT

Site Address: Land West Of Yapton Lane Walberton

Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 48 dwellings (30% affordable homes) and dental/doctors' surgery (Use Class E (e)). This application may affect the setting of a listed building & may affect the Walberton Village Conservation Area.

Thank you for your internet representation made on 23rd January 2022 which has been recorded as an objection with the comments as follows:

OWPC43646

This development of new builds will have a negative impact on the rural and ancient landscape of this part of the Walberton Conservation area. The area is well known for its untouched and rural beauty and this field provides a home for a wealth of wildflowers, fauna, bees and birds all year round. Those that live in and around this area respect its wildlife and the conservation area that it sits alongside. The residents of the Walberton conservation area go to great lengths to make sure that their properties preserve the special nature of this ancient village that is enjoyed by many and is one of the best maintained in the county. The prospect of 48 new builds on its boundary would take away the special feel of the area and promote a more suburban feel, which after 100's of years of protection and preservation would be shameful.

Your views as made above will be considered before the application is determined.
