Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/2/22/OUT

Site Address: Land West Of Yapton Lane Walberton

Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 48 dwellings (30% affordable homes) and dental/doctors' surgery (Use Class E (e)). (This application may affect the setting of a listed building & may affect the Walberton Village Conservation Area).

Thank you for your internet representation made on 7th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44116

I strongly object to this planning application to build 48 houses on land west of Yapton Lane. It is not in the Walberton Neighbourhood Plan and is outside the building line. It will badly affect the conservation area with which it borders. The ancient flint wall should be preserved carefully. It is currently Grade 1 farming land and will affect existing trees and woodland. It will adversely affect the quality of life for the nearby Walberton Care Home residents. Yapton Road is very busy and has much HGV traffic, and is already dangerous to cyclists and pedestrians. This will get worse once the A27 Arundel Bypass goes ahead. Traffic through Walberton will increase by 42%.

I urge Arun District Council to reject this planning application as it is inappropriate for the area.

Your views as made above will be considered before the application is determined.
