Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/2/22/OUT

Site Address: Land West Of Yapton Lane Walberton

Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 48 dwellings (30% affordable homes) and dental/doctors' surgery (Use Class E (e)). (This application may affect the setting of a listed building & may affect the Walberton Village Conservation Area).

Thank you for your internet representation made on 7th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44129

The site is not part of the recently made Walberton Neighbourhood Plan and is outside the built-up area boundary.

It will also lead to the loss of an area of woodland and have a harmful impact on the setting of the Conservation Area.

Pedestrian access to the development is unclear. There are no pavements along Yapton Lane and the 'permissive path' in its current form is not practical.

The provision of a doctor's surgery is at a location that is away from convenient access to the local population. None of the local surgeries have any interest in expansion to the village, in fact a local Walberton Surgery has been closed in recent years.

Provision of a building will not address the shortage of medical professionals that exists in general so its staffing may be a challenge. As such, it can be discounted as a benefit to the site.

The site is grade 1 agricultural land.

Your views as made above will be considered before the application is determined.
