Dear Daun,

Thank you for your letter, please find attached revised plans for cottage 3 and 4 and a revised site plan with the display line thickened.

We are not proposing to connect to the mains sewerage as there is none along the road. Please refer to Policy WDM1(3) of the Arun Local Plan which state that for minor development, only a Drainage Statement is required and not a full Environmental Assessment Statement.

If you require additional information please let me know.

Kind regards,

Chelsey
