Dear Mrs Gardener,

Please find enclosed the relevant paperwork and samples to meet conditions 3,4,5 and 6.

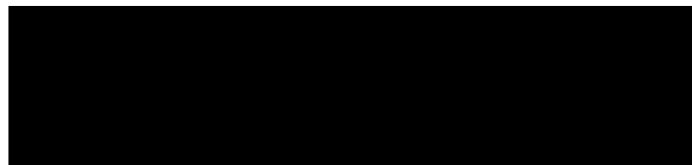

Condition 3: The development has insufficient outside space for trees and hedges. The outside area will consist of gravel drive and parking space with paved pathways into and around the building.

Condition 4: Enclosed is a sample of feather edge boarding stained to the colour that will be used on the building.

Condition 5: Enclosed is the bat and owl report stating that the site was unsuitable for bats and owls and there's no evidence of bats and owls ever being present on the site. Relevant parts have been highlighted.

Condition 6: There will be no floodlighting on the development and exterior lighting will be low level and example has been included.

Yours sincerely,
