Dear Mr Easton,

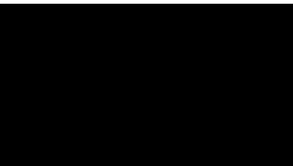

Thankyou for your email. Although rather odd that your administrative teams have been allocating you applications in your absence, I guess there's little to be done about it now and I would prefer this application to be determined appropriately without haste.

Overall the additional time required is manageable and therefore my clients and I confirm the extension of time requested to the 21st July 2017.

I would also request that once you have visited site and considered the application, should there be any concerns. Please could you contact me prior to determination to discuss the likely outcome.

Kind Regards,

Simon Harvey

Dear Mr Harvey,

I am the case office for the above application. Unfortunately, I have been out of the office sick having returned this week. During my absence the site visits were not undertaken in time to allow this application to be determined by the 6th July 2017. Due to this delay in the display of the site notice the 21 day advertisement period for this application will run until the 14th July 2017. Therefore, I would be grateful if you could provide written confirmation of your agreement to an extension of time until the **21st July 2017**.

I apologise for the delay in the determination of this application. However, should you wish to discuss this matter further please do not hesitate to contact me.

Yours Sincerely,

David Easton
