Dear Sir/Madam,

Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 2nd May 2021 which has been recorded as an objection with the comments as follows:

OWPC35672

There is no infrastructure to support the building of more houses in this area. The Avisford Grange development is already a step too far. The roads around our village flood annually with sewage from an inadequate and out of date system. The character of our village will be adversely effected by a further 30 homes. The neighbourhood plan ruled this area of land out for development.

Your views as made above will be considered before the application is determined.
