Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 6th May 2021 which has been recorded as an objection with the comments as follows:

OWPC35782

We object to this application mainly due to its close proximity to the heart of the village. It will spoil the area around the village green and pond and change the unique character of Walberton as a village. There are already applications for further housing and building work already started going on in and all around the village.

The infrastructure struggles as it is with the narrow road through the village often blocked with traffic especially during school times. No matter which of the roads Eastergate Lane or West Walberton Lane are used as the main access it will be on dangerous bends which are already problematic. The field is also prone to flooding as is that whole area drainage could therefore be a problem and be a major flooding concern. This pretty village and its history needs to be maintained and protected both for now and for future generations.

Your views as made above will be considered before the application is determined.
