Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 11th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36003

I wish to register an Objection to the application WA/32/21/PL Land West of West Walberton Lane. My reasons for objection are as follows:

The site is not part of the 2020 Walberton Neighbourhood Development Plan which passed referendum on 6th May 2021.

The Parish has exceeded its required allocation of 60 dwellings in its Plan; with a proven track record of fulfilling its quota no extra development can be justified.

The site does not fulfil the criteria for Walberton Policy HP1 2020 as it is outside the built-up area boundary and is not in accord with countryside policies in the Arun Local Plan and South Downs Local Plan.

Some parts of the site are in flooding zones 2 and 3a. These zones extend up to the proposed housing plots.

The development has watercourses passing through it. It is in close proximity to Walberton Pond which has been adversely affected by runoff into the chalk streams from development at Sunny Corner (WA/75/17/PL). This proposal conflicts with CE6: Protection of Watercourses.

Eastergate Lane has a 40mph speed limit at the proposed access point, with limited visibility both east and west. The Transport Assessment acknowledges that there is a risk of accidents at the access point because of this.

Your views as made above will be considered before the application is determined.
