Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 12th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36078

I wish to register an objection to the application WA/32/21/PL for development at West Walberton Lane. The Walberton Neighbourhood Plan was voted on and passed and this was rejected by the local community. Eastergate Lane has a 40 mph speed limit and the proposed junction will cause accidents. The site itself floods, as recognised by the seller in their own documentation, but it is this flooding that allows the water to run off slowly. I fear that any change will put my own house that was safe until now at risk. The site is next to the Walberton Conservation area and a recent development at another site further up the hill created immense harm and death to the local wildlife and duck pond. This development will have a greater effect on the Walberton Duck Pond and Conservation area than that.
Thank you for taking the time to read my objection

Your views as made above will be considered before the application is determined.
