Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 12th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36140

I am objecting to the West Walberton Lane plan for 30 houses WA/32/21/PL

The local neighbourhood development plan has rejected this site.

There is only limited public transport in the village for those occupiers of this development that manage to make it safely along an unlit road with no pavement and cars going at 40 mph.

The HEELA lists this land as unsuitable for development of this kind as it acts as an important area to slow the water down. The development floods as it has watercourses passing through it and the Environment Agency is out twice a year keeping the water courses free to stop the houses in Eastergate Lane and Barnham Lane from flooding.

The site is next to the Walberton Duck Pond and Conservation area and a development will affect this for everyone.

The road junction is located at the most dangerous spot someone could pick.

Your views as made above will be considered before the application is determined.
