Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: WA/32/21/PL  
Site Address: Land at West Walberton Lane Walberton BN18 0QF  
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 13th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36163

I am objecting to the development WA/32/21/PL for 30 houses listed at West Walberton Lane

This development is on a green field site and is outside the Walberton built-up area where there are no pavements or street lights and on a 40mph blind corner.

The local neighbourhood development plan has rejected this site and the Parish has exceeded its required allocation of 60 dwellings in the neighbourhood development plan, the Avisford Grange development in the village is unoccupied and has blotted the landscape around the school and playing field greens already.

The village main road is restricted in width and is already frequently blocked, further traffic is unlikely to help this.

The development has watercourses passing through it so development here will cause our home and that of our neighbours to be at risk of flood. The development will impact the local village green and pond.

Thank you.
