Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 26th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36768

I would like to strongly object!

This is not part of the Neighbour Development Plan that had been passed by the WSSC in 2021, so why is it even being considered for an extra 60 dwellings at the end of Eastergate Lane! Pedestrians, cyclists and walkers all use that lower area to go to Barnham on the cycle/pedestrian track that has proved a great success, adding 60 dwellings with potential 120 cars to the bottom of Eastergate lane is an accident waiting to happen. There is no pavement up Eastergate Lane so the amount of people who walk up that road which has a 40mph speed limit will greatly increase from these potential houses.

The area is also prone to flooding and has a history of flooding and road surface water with the creek to the side of it.

Also with Walberton school already full to capacity where are the potential children going to be schooled? Please reconsider this development has no part in our already heavily loaded parish.

Your views as made above will be considered before the application is determined.
