Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 26th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36780

I strongly object to this proposal to build 30 houses in this location. It did not form part of the local plan which has been widely supported, most recently in the May elections. It states it will impact on listed buildings and the overall appearance of the conservation area. Arun should uphold the protection of the conservation areas in its villages. The village green area and the pond are used by many people both from the village and surrounding dung areas, for recreation purposes. It will become less safe for people to to this if increasing traffic is passing both in Eastergate Lane and West Walberton Lane. There would be a real risk to people exiting the cycle path.

These houses are not needed and will have a very detrimental effect on the local environment.

Your views as made above will be considered before the application is determined.
