Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 27th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36790

I support the objections lodged by the Walberton Parish Council.

The proposed development is not part of the 2020 Walberton Neighbourhood Development Plan which was passed at referendum of 6th May.

The site was rejected by residents in 2016 when a call for sites was made.

The site is listed by HELAA as not developable.

The site is a green field and includes an area identified by Defra as a priority habitat as Lowland Fens.

The site is outside of the built-up area boundary - Walberton Policy HP1 2020 applies.

The traffic assessment is incorrect and relies upon reduced traffic reports undertaken during the pandemic. Any assessment of traffic and its wider impact should be made with reference to the proposed A27 development and the cumulative effect of other developments in the area with their effects on the pinch points (such as the Fontwell West roundabout) considered.

Pedestrian access is not afforded safely on West Walberton lane and further intensification of pedestrian and

vehicle traffic is likely to increase the risk of accidents.

Your views as made above will be considered before the application is determined.
