Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 27th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36791

I object to this application as it for housing development that is not included in the very recently approved Walberton Neighbourhood Plan. Sustainable development can only be delivered if it is plan-led and evidence-based.

Thirty new dwellings not approved in the Neighbourhood Plan are not required nor welcomed: there is no evidence (other than from what local MP Andrew Griffith described as a "flawed" algorithm) that these houses are needed.

Filling in this field with more new houses will fundamentally extend Walberton westwards and add further strain to the already overburdened local infrastructure, with a negative impact on the views and vistas of the village and wildlife habitats that are under extreme pressure due to development in surrounding areas.

Your views as made above will be considered before the application is determined.

However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
