Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/32/21/PL
Site Address: Land at West Walberton Lane Walberton BN18 0QF
Description of works: Construction of 30 No. dwellings together with associated access, parking, public open space & landscaping. This site may affect the setting of listed buildings, affects the character & appearance of the Walberton Green Conservation Area, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 27th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36810

I object to this application for the following reasons:

1. The site is very wet and development there would adversely affect neighbouring properties and the local drainage regime
2. The site adjoins a chalk stream which could be compromised by the urbanisation of this field; chalk streams are a priority habitat in ADC Local Plan
3. The site is close to Walberton Village Green which is identified as a Local Green Space being an important and picturesque feature of the village landscape. The fact that it is next to open farmland emphasises the rural character of the settlement - this would be damaged by development.
4. Eastergate Lane frequently is subject to subsidence due to underlying running sand - not only suggests this is a poor choice for building but the additional traffic would create further maintenance pressure.
5. This site was rejected in the preparation of the recently made Neighbourhood Plan for Walberton. Full reasons, which I support, can be found in the Site Assessment carried out by AECOM which can be found on the Parish Council's website. The new Plan provides adequate sites to meet current needs

Your views as made above will be considered before the application is determined.
