Our Ref

PLAN-022812

Date

24/05/2018

Dear Sirs,

Proposal: Outline application with some matters reserved for the demolition of existing dwelling & erection of 5 No. dwellings. This application is a Departure from the Development Plan.

Site: Spindlewood, Yapton Lane, Walberton, BN18 0AS.

WA/33/18/OUT

Thank you for your letter of 25/04/2018.

The applicant is advised to consult the Environment Agency directly regarding the use of a septic tank drainage which disposes of effluent to sub-soil irrigation. The owner of the premises will need to maintain the septic tank to ensure its long term effectiveness.

The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

Due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site.

The applicant is advised to discuss the matter further with Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk".

Yours sincerely,

Developer Services

SOUTHERN WATER
