16 June 2011

Dear Mrs Leeson,

App Ref: WA/37/11/
Site: Land adjacent to Walberton Village Hall The street Walberton
BN18 0PQ
Proposal: Single storey pre-school. Resubmission following WA/12/11.

Thank you for consulting Sport England on the above application.

I write further to my letter 23 May. As you will recall Sport England raised concern regarding the loss of a built sports facility, namely a tennis court. However upon receipt of your further clarification, I understand that there is no tennis court and the area in question, in a small tarmac area which is not a formal sports facility but has a single basketball net.

As a result of your clarification in this regard, Sport England is now satisfied that the application does not result in the loss of or prejudice the use of any playing field land or existing sporting facility, such that we raise **no objection** to this application.

The absence of an objection to this application in the context of the Town and Country Planning Acts, does not in any way commit Sport England's or any National Governing Body of Sport's support for any related application for grants funding

If this application is to be presented to a Planning Committee, we would like to be notified in advance of the publication of any committee agendas, report(s) and committee date(s). We would be grateful if you would advise us of the outcome of the application by sending us a copy of the decision notice.

If you would like any further information or advice please contact the undersigned at the address below.

Katy Walker
Planning Manager
