

Lidsey Foul Water Statement

Project no: 20002

Project Name: Bronlea, The Street, Walberton, West Sussex BN18 0PG

Planning Application ref: WA/37/20/HH – *First floor extension to East over existing garage, ground floor extension to South, and detached garage in front garden.*

Declaration

The Application site lies within the Lidsey Foul Water Treatment Catchment Area, but the proposals do not involve work relating to a new connection to the existing mains drainage system. The proposals do also not involve work relating to a new septic tank, cesspool or other independent waste facility.
