

Please can these plans be added to the application (the site plan should replace existing).

Please notify the parish (21 day notification) but no other advertisement will be necessary.

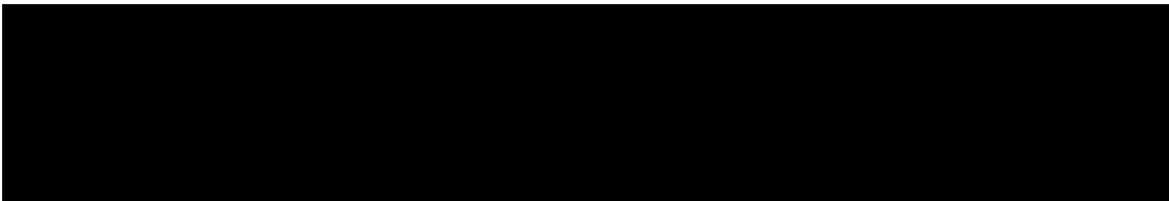

Thank you.

Good morning Zac,

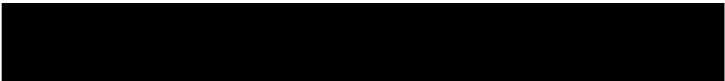

I hope you are keeping well.

I understand this Householder Application has been assigned to yourself. However, please can I ask that submitted drawing 2.01C to be replaced with 2.01D, attached, and we would like the oak frame garage drawings, attached, to be included to demonstrate the proposed garage. I had emailed through these previously to the Arun Planning email address but they have not yet been added to the system.

Additionally, please be aware that the Applicants would like the proposed windows to the scheme to be ‘Olive-Grey’ in colour, rather than white as existing.

I trust this is all clear, but please let me know if you would like any additional clarity.

Kind regards,
Russell

Dear all,

Please find attached the garage drawings and the revised proposed site plan to reflect the more detailed garage information for this Householder Planning Application. I understand that this scheme is still going through validation, but please can these drawings be added/supersede the current proposals accordingly.

Many thanks,
