Michael,
No objection is raised to the NMA.

It is noted that drawing ref Temporary Construction Access Swept Path Analysis Dwg No 183244-001 shows the swept path for vehicles travelling north along Tye Lane (from Walberton Village) which would not be supported. Para 4.25 however confirms all movements would be via the A27.

Regards

Stephen

You have been allocated district reference WA/38/20/NMA. The location and proposal for this case are below.

Location: Land East of
Tye Lane
Walberton

Proposal: Non-material amendment following grant of reference WA/44/17/OUT for the widening of the width of the road to make the emergency access wide enough for construction traffic. This access will only be temporary.
