Good morning Mrs Henderson,

Tracey is currently on annual leave returning next Tuesday. However, I have emailed her this week to say that we expect the development to proceed as per the drawings submitted by the agent Mr Rodway. These plans will be downloaded onto the website for clarity. She will do this once she returns.

Good Morning,

Just following up in regard to the emails from Tracey a week ago. Please can someone confirm by return that the plans approved against planning application WA/39/18/PL are drawing number 181260/02 Revision A (see attached), as was confirmed verbally to me 2 weeks ago. I need to resume the build, so that we can aim to be watertight before worse weather hits.

I look forward to hearing from you.

Regards
Cathy Henderson
