Good afternoon Raymond,
That makes sense, and I have no problem with the extension if it helps to determine them both applications together in August. It would however be helpful to receive appropriate feedback on the Design Code, along with our reserved matters application, and I look forward to discussing when we meet.

Kind regards
Chris

Dear Chris

I am conscious that tomorrow is the expiry date for determination of your application (WA/41/19/DOC) for the discharge of Condition 7 (Design Code) of the planning permission (WA/22/15/OUT) granted on appeal (APP/C3810/V/16/3143095).

Given that we have meetings both this week and next to discuss the reserved matters application (WA/48/19/RES), I can see merit in both applications being considered and determined together. To that end, could we agree an extension of the time period in which to determine the application for the discharge of Condition 7 until 27 August 2019 (the expiry date for the reserved matters application)?

Many thanks

Ray
