Thank you for your notification received on 17th May 2021, I am writing to acknowledge that it was accepted as valid on 18th May 2021 and is now being assessed to ensure that the proposal complies with the conditions, limitations or restrictions under the above Order and whether sufficient information has been provided to establish this requirement.

If you have any concerns about the way that the council has described your proposed work you should contact the case officer, Kathryn Welch who will be dealing with your application, to discuss the matter.

You can follow how your application is progressing on the council's website:

<https://www.arun.gov.uk/weekly-lists>

The General Permitted Development Order, Part 1 of Schedule 2 (Class A) specifies that development should not begin before the occurrence of one of the following:-

- the receipt by the developer from the local planning authority of a written notice of their determination that prior approval is not required to carry out the development in accordance with the details submitted;
- the receipt by the developer from the local planning authority of a written notice giving prior

approval; or

- the expiry of 42 days following the date on which the local planning authority received the application, without the local planning authority notifying the developer as to whether prior approval is given or refused.

Unless the local planning authority and developer agree otherwise in writing.

Please be advised that the Council adopted the Arun Community Infrastructure Levy (CIL) Charging schedule on 15 January 2020. The CIL charging schedule came into effect on 1 April 2020 and any works commenced after this date may be CIL liable. Please familiarise yourself with the CIL charging processes at:

This acknowledgement only relates to this prior notification and not to any other applications you may have made, or may need to make to the Council, for example Building Regulations Approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required visit the government's website

<https://www.planningportal.co.uk> or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control Services offered by Arun District Council please see: <https://www.arun.gov.uk/buildingcontrol>

For details on how the Council will deal with your data, please refer to our privacy notice called Privacy statement planning application on our website:

**THIS COMMUNICATION MAY AFFECT YOUR PROPERTY
THE DEADLINE FOR MAKING REPRESENTATION TO ARUN DISTRICT COUNCIL IS
18th June 2021**

**Town and Country Planning Act 1990 (As amended)
Town and Country Planning (General Permitted development) Order 2015 Schedule 2 Part 1 Class A**

Arun District Council has received application: WA/43/21/PDH for Notification under extended permitted development rights for a single storey flat roof rear extension measuring 5.80m from beyond the rear wall of the original dwelling house, with maximum height of 2.70m and eaves height of 2.30m at 13 Homefield Crescent Walberton

Arun District Council accepted a valid notification for the above proposal on 18th May 2021 and must give a formal response to the applicant by 29th June 2021. Further details of the proposal can be viewed on line by searching by the application reference number at: www.arun.gov.uk/weekly-lists.

Arun District Council as the Local Planning Authority, is only able to assess the impact of this proposed development on the amenity of adjoining premises where any owner or occupier of any adjoining premises objects. If you are not the only owner or occupier of the property, it is important that you pass a copy of this notification to them so that they have an opportunity to make representations. **Representations must be received by 18th June 2021.**

If no objection is received the Council must notify the applicant that prior approval is not required and the applicant can proceed with the works under this section of legislation providing the development complies with all other sections contained in Class A of the above Order.

If an objection is received from any of the adjoining premises, then Arun District Council is required to assess the impact of the proposal on the amenity of all adjoining premises and must respond to the applicant by either giving prior approval or refusing prior approval.

Objections can be made in writing quoting the above reference number to the Group Head of Planning at the Arun Civic Centre, Maltravers Road, Littlehampton BN17 5LF or on line by going to the website at: www.arun.gov.uk/weekly-lists and searching for the application by reference number and entering your comments on the online facility. The legislation is clear that only objections from adjoining premises can trigger the need to consider the affect on amenity so please make it very clear whether or not you object and if writing from a different address please make it clear that you are in fact the owner/occupier of one

of the adjoining premises. If it is not clear then it will be assumed that the representation is not from an adjoining premises and it will have to be disregarded.

If you have any further queries please contact the case officer Kathryn Welch on 01903 737789

Yours faithfully
